NANCY GUTHRIE

Nancy Guthrie's life experience has forced her to dig deep in search of answers to hard questions about God and how he works. She often finds that her listeners have the same struggles and questions. And while she openly shares the deep hurts in her life, she also likes to laugh. She regularly speaks throughout the U.S. and internationally, and those who hear her often say that they appreciate that she is transparent and real.

She is the author of six books including *Holding On to Hope: A Pathway of Suffering to the Heart of God*. She makes her home in Nashville, where, according to Nancy, life is less about professional pursuits than about the ordinary aspects of being a wife, mother, friend, and follower of Jesus, with clothes to wash, a dog who wants to go walk in the park, e-mails to answer and a friend to listen to. You will not want to miss hearing what Nancy has to say and the story she has to tell.

"My grace is sufficient for you, for my power is made perfect in weakness."

2 Corinthians 12:9

Hearing Jesus Speak

Nancy Guthrie gently invites you to lean in along with her to hear Jesus speak understanding and insight into the lingering questions we all have about the hurts of life: What was God's involvement in this, and why did he let it happen? Why hasn't God answered my prayers for a miracle? Can I expect God to protect me? Does God even care? According to Nancy, this questioning is not a bad thing at all, but instead an opportunity. It's a chance to hear with fresh ears the truth in the promises of the gospel we may have misapplied. It lets us retune our souls to the purposes of God we may have misunderstood.

- Come for fellowship and the opportunity to rethink and renew your relationship with the Savior.
- Bring friends, family, and neighbors with you.
- Enjoy getting to know other women informally and in small groups.

What voices are you listening to about yourself?

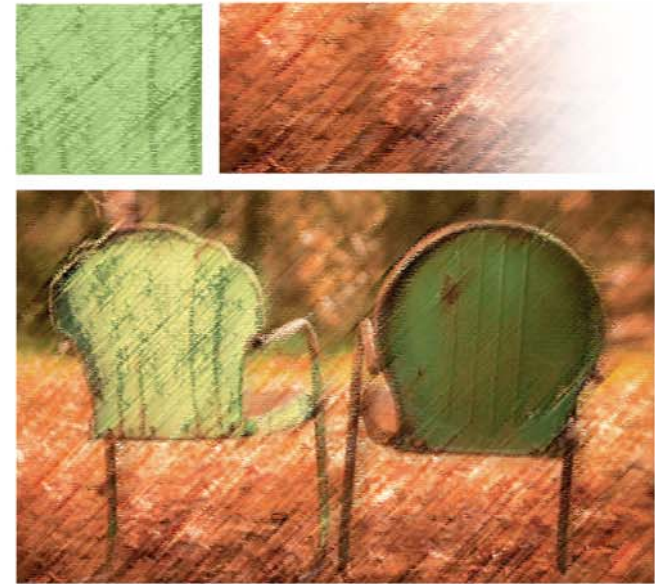

While friends do speak words of comfort into our lives, most times we hear too many other voices around us that discourage and defeat us. There is just one voice that brings us real hope that changes us – the loving voice of Jesus! The purpose of this conference is to come out of the clamor of many voices, and hear His voice more clearly speaking into our unique circumstance through His word. It is also to provide deeper connection and mutual support as women and sisters. Come to listen, to be encouraged and to change!
